Covers 1200cc models. (Does not cover fuel-injected models.)

Learn motorcycle riding and maintenance essential from Cycle World Magazine's resident expert in this comprehensive, fully illustrated guide. In Total Motorcycle Manual, industry insider Mark Lindemann shares his considerable firsthand knowledge gained from riding more than 750 different bikes over more than 30 years. Packed practical tips and tricks, this is the perfect guide for anyone who wants to get the most out of their motorcycle. Whether you are starting as a new daily commuter, track fiend or budding off-roader, Mark will teach you how to get the right gear for you, tackle test rides, avoid lemons, maintain and tune your ride and master fundamental bike skills.

Evolution or revolution ... this was the dilemma Honda faced in creating the new fifth generation Gold Wing. Consumers were happy with the near-perfect GL1500 Gold Wing, but sales were declining and owners ageing. In 1996 Honda's designers and engineers decided the only way forward for the Gold Wing was a revolutionary approach. Given a brief by management to incorporate more 'Fun Factor' and make a large luxury touring motorcycle perform like a sports orientated machine, their target market was the younger rider. The GL1800 Gold Wing launched as a 2001 model and was updated in 2006 with the world's first and only motorcycle airbag system. Surviving a production return to Japan it had a second face-lift for 2012 and from that, two other variants emerged, a 'Bagger' and 'Power Cruiser', the F6B and Valkyrie/F6C. The GL1800 was destined to become the longest running Gold Wing series, but over its 17 years of production Honda faced stiff competition. Peter Rakestrow examines the GL1800's history from 1996 to the end of production in 2017, looking at model improvements through the years of this legendary marque, creating a point of reference for owners, buyers and restorers alike.

Book one of the New York Times-bestselling All Souls trilogy "a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, A Discovery of Witches, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical

underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

XLH883, XL883R, XLH1100, XL/XLH1200

*Mountain Bike Maintenance* is a complete guide to keeping your bike healthy. Every area of bike maintenance and repair is covered, using step-by-step photos and accompanying text, to create an easy-to-understand manual that will prove invaluable to any mountain bike enthusiast. The book is broken down into each mechanical area of the bike, providing assistance, tips and trouble-shooting ideas for every problem that may arise. The book covers the simple to the more complex, from the tools needed to emergency off-road repair, from overhauling troublesome pedals to wheel building. Whatever the symptom, *Mountain Bike Maintenance* provides the solution to the problem, aided by 'how-to' sequences that provide visual direction to the task at hand.

Touring on a motorcycle has never been more popular than it is today, but with more and more people hitting the open road, a growing number are doing so without the proper skills and information they need to survive the ordeal. Far too often the trip of a lifetime turns into an unmitigated disaster, leading to expensive breakdowns, arrests, lost wages, broken limbs, death, and even, on more than one occasion, divorce. Most people who travel aboard motorcycles have learned these lessons the hard way, if they've survived long enough, but now readers of the *Motorcycle Touring Bible* can learn an easier way; they can learn from author Fred Rau's mistakes rather than through the school of hard knocks.

2003-2006 HONDA CBR600RR
