I think A TRACE OF MOONLIGHT has been a difficult review for me because it's such a transitional book. The majority of plot threads established in the previous installments of the Abby Sinclair series reach a boiling point and things get more than a little crazy. There's a lot of story packed into this one!

~~A Trace of Moonlight (Abby Sinclair, Book 3) by Pang~~

A Trace of Moonlight by Allison Pang is the third installment of the Abby Sinclair series. It also happens to be my favorite so far. A Trace of Moonlight was action packed and thoroughly original. Abby is stuck smack dab in the middle of a full out catastrophe. Abby gives so much without much thought to the consequences that could fall upon her.

~~A Trace of Moonlight (Abby Sinclair, #3) by Allison Pang~~

A Trace of Moonlight is book three in the Abby Sinclair series. It picks up shortly after A Sliver of Shadow. Abby has lost her memory after drinking from the waters of lethe and doesn't know what is going on. Talivar is taking care of Abby, and trying to find a way to recover her memory and save her from being the Tithe.

Buy A Trace of Moonlight from Kogan.com. From the author of A Brush of Darkness and A Sliver of Shadow comes the third book in a smart, sexy, urban fantasy series. Drinking from the waters of lethe and offering herself up as Faerie's sacrificial Tithe . . . these just might be the least of Abby Sinclair's problems. Abby's pact with a daemon—whether or not she remembers making it ...
