In 2012, while others his age were enjoying quiet retirement, Ron Fellowes set off on the challenge of a lifetime. His dream to ride a 102 year-old FN motorcycle across the world - to the Belgian factory where the bike originated - had all the hallmarks of an epic adventure: one that was never going to be easy. For eight months Ron rode 14,600 kilometres through 15 countries under grueling conditions, into some of the world's most hostile territory. He faced desert sandstorms, mountains too steep for the motorcycle's capability, the threat of rockslides and bombings when he took a detour, and pressure from armed police through conflict zones. He was robbed, and when held at gunpoint, Ron came face-to-face with his own mortality. The motorcycle's limited capacity - no gears, inadequate brakes and pedal assisted - made it a daily struggle. Breakdowns were common, and only Ron's ingenuity and single-mindedness, Lynne's logistical support, and the generosity of others kept him going. Beautifully illustrated in full colour throughout, No Room for Watermelons is co-written by Ron and Lynne. It is an engaging, and entertaining account of one man's stoic determination to fulfill his dream. You will be carried along for the ride, and inspired to achieve your own dreams... no matter how impossible they seem.

In 1982, at the age of just twenty-three and halfway through her architecture studies, Elspeth Beard left her family and friends in London and set off on a 35,000-mile solo adventure around the world on her 1974 BMW R60/6. Reeling from a recent breakup and with only limited savings from her pub job, a tent, a few clothes and some tools, all packed on the back of her bike, she was determined to prove herself. She had ridden bikes since her teens and was well travelled. But nothing could prepare her for what lay ahead. When she returned to London nearly two and a half years later she was stones lighter and decades wiser. She'd ridden through unforgiving landscapes and countries ravaged by war, witnessed civil uprisings that forced her to fake documents, and fended off sexual attacks, biker gangs and corrupt police convinced she was trafficking drugs. She'd survived life-threatening illnesses, personal loss and brutal accidents that had left permanent scars and a black hole in her memory. And she'd fallen in love with two very different men. In an age before email, the internet, mobile

phones, satnavs and, in some parts of the world, readily available and reliable maps, Elspeth achieved something that would still seem remarkable today. Told with honesty and wit, this is the extraordinary and moving story of a unique and life-changing adventure.

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "The Oxford English Dictionary of holidays."--NPR's Planet Money.

Maiden Voyage: The Prequel to The Adventure of a Lifetime introduced the characters, 2Up and Overloaded sets them free into the world. Join Tim and his fiancée Marisa as they take a leap of faith and quit their jobs to circumnavigate the globe on their KTM 1190 Adventure motorcycle. You'll feel the wind in your hair as they make their way across the United States, and head south through Mexico and Central America. You'll be holding your breath as you ride along with them behind smog-extruding trucks in Tijuana, shouting at intrusive bears in the backcountry of Colorado, and pondering how to repair a bike that lies exhausted on the side of a deserted road. 2Up and Overloaded is an inspiring, witty, sometimes-harrowing, and always gripping story, in which two people prepare extensively to explore the world on their motorcycle, only to discover that their most powerful resource can't be packed in a bag.
