As any reader of Jo Walton's

Online Library Among Others Jo Walton

Among Others might guess, Walton is both an inveterate reader of SF and fantasy, and a chronic re-reader of books. In 2008, then-new science-fiction mega-site Tor.com asked Walton to blog regularly about her re-

Online Library Among Others Jo Walton

reading—about all kinds of older fantasy and SF, ranging from acknowledged classics, to guilty pleasures, to forgotten oddities and gems. These posts have consistently been among the most popular

Online Library Among Others Jo Walton

features of Tor.com. Now this volumes presents a selection of the best of them, ranging from short essays to long reassessments of some of the field's most ambitious series. Among Walton's many subjects here

Online Library Among Others Jo Walton

Or What You Will is an

Online Library Among Others Jo Walton

utterly original novel about how stories are brought forth from Hugo, Nebula, and World Fantasy Award-winning author Jo Walton. He has been too many things to count. He has been a dragon with a boy on his back. He

Online Library Among Others Jo Walton

has been a scholar, a warrior, a lover, and a thief. He has been dream and dreamer. He has been a god. But "he" is in fact nothing more than a spark of idea, a character in the mind of Sylvia Harrison, 73, award-

Online Library Among Others Jo Walton

winning author of thirty novels over forty years. He has played a part in most of those novels, and in the recesses of her mind, Sylvia has conversed with him for years. But Sylvia won't live forever, any more than any

Online Library Among Others Jo Walton

human does. And he's trapped inside her cave of bone, her hollow of skull. When she dies, so will he. Now Sylvia is starting a new novel, a fantasy for adult readers, set in Thalia, the Florence-resembling imaginary city

Online Library Among Others Jo Walton

that was the setting for a successful YA trilogy she published decades before. Of course he's got a part in it. But he also has a notion. He thinks he knows how he and Sylvia can step off the wheel of mortality

Online Library Among Others Jo Walton

altogether. All he has to do is convince her. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Love, money, and power

One summer weekend in
1949—but not our 1949—the
well-connected "Farthing
set", a group of upper-crust
English families, enjoy a

Online Library Among Others Jo Walton

country retreat. Lucy is a minor daughter in one of those families; her parents were both leading figures in the group that overthrew Churchill and negotiated peace with Herr Hitler eight years before. Despite her

Online Library Among Others Jo Walton

parents' evident disapproval, Lucy is married—happily—to a London Jew. It was therefore quite a surprise to Lucy when she and her husband David found themselves invited to the retreat. It's even more

Online Library Among Others Jo Walton

startling when, on the
retreat's first night, a
major politician of the
Farthing set is found
gruesomely murdered, with
abundant signs that the
killing was ritualistic. It
quickly becomes clear to

Online Library Among Others Jo Walton

Lucy that she and David were brought to the retreat in order to pin the murder on him. Major political machinations are at stake, including an initiative in Parliament, supported by the Farthing set, to limit the

Online Library Among Others Jo Walton

right to vote to university
graduates. But whoever's
behind the murder, and the
frame-up, didn't reckon on
the principal investigator
from Scotland Yard being a
man with very private
reasons for sympathizing

Online Library Among Others Jo Walton

with outcasts...and looking beyond the obvious. As the trap slowly shuts on Lucy and David, they begin to see a way out—a way fraught with peril in a darkening world. At the Publisher's request, this title is being sold

In 1941 the European war ended in the Farthing Peace, a rapprochement between Britain and Nazi Germany. The balls and banquets of Britain's upper class never

to warn the Prime Minister
of treason, to arrest
plotters, and to discover
Jews. The midnight knock of
a Watchman is the most
