The New York Times bestseller: "You gotta read this. It is the most exciting book about Pluto you will ever read in your life."
Jon Stewart
When the Rose Center for Earth and Space at the American Museum of Natural History reclassified Pluto as an icy comet, the New York Times proclaimed on page one, "Pluto Not a Planet? Only in New York." Immediately, the public, professionals, and press were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a minihistory of planets, describes the oversized characters of the people who study them, and recounts how America's favorite planet was ousted from the cosmic hub.

Spring and All (1923) is a book of poems by William Carlos Williams. Predominately known as a poet, Williams frequently pushed the limits of prose style throughout his works, often comprised of a seamless blend of both forms of writing. In Spring and All, the closest thing to a manifesto he wrote, Williams addresses the nature of his modern poetics which not only pursues a particularly American idiom, but attempts to capture the relationship between language and the world it describes. Part essay, part poem, Spring and All is a landmark of American literature from a poet whose daring search for the outer limits of life both redefined and expanded the meaning of language itself. (There is a constant barrier between the reader and his consciousness of immediate contact with the world. If there is an ocean it is here.)
In Spring and All, Williams identifies the incompressible nature of consciousness as the single most important subject of poetry. Accused of being 'heartless' and 'ironic,' of producing (positively repellent) works of art in order to 'make fun of humanity,' Williams doesn't so much defend himself as dig in his heels. His poetry is addressed [to the imagination] itself; it seeks to break down the [the barrier between sense and the vaporous fringe which distracts the attention from its agonized approaches to the moment.]
When he states that 'so much depends / upon // a red wheel / barrow,' he refers to the need to understand the nature of language, which keeps us in touch with the world. With a beautifully designed cover and professionally typeset manuscript, this edition of William Carlos Williams' Spring and All is a classic of American literature reimagined for modern readers.

Spring and All by William Carlos Williams

Etymology is the study of word origins and development. It provides one of the easiest and most effective ways to build vocabulary, because knowledge of some common roots and prefixes makes possible the figuring out of new word meanings. English is compounded of several languages, primarily Anglo-Saxon (Germanic) and Latin. Their Latin influence persists notably in the names of English cities ending in "-caster" or "-chester,," from the Latin "castra" meaning "encampment." This is the fourth book of a series that focuses on etymology from Latin and Greek. This book focuses on Greek roots. The texts are designed to aid in learning the definitions of specific, deconstructed words. The meanings of a series of "reusable" classical prefixes and roots are presented that facilitate the deciphering of multiple related words.

For those who seeks a career in Research/ Lectureship in English Literature from the foremost reputed colleges and Universities of the country, UGC NET English may fulfill you dreams. UGC NET comprises of two papers- Paper 1 and Paper 2. EduGorilla is providing 20 full- length mock tests of paper 1 and paper 2 for strengthening your preparation to achieve success.

UGC NET English Paper 1 and Paper 2

First published in paperback by UNM Press in 1976, The Way to Rainy Mountain has sold over 200,000 copies. "The paperback edition of The Way to Rainy Mountain was first published twenty-five years ago. One should not be surprised, I suppose, that it has remained vital, and immediate, for that is the nature of story. And this is particularly true of the oral tradition, which exists in a dimension of timelessness. I was first told these stories by my father when I was a child. I do not know how long they had existed before I heard them. They seem to proceed from a place of origin as old as the earth. "The stories in The Way to Rainy Mountain are told in three voices. The first voice is the voice of my father, the ancestral voice, and the voice of the Kiowa oral tradition. The second is the voice of historical commentary. And the third is that of personal reminiscence, my own voice. There is a turning and returning of myth, history, and memoir throughout, a narrative wheel that is as sacred as language itself."--from the new Preface

The extraordinary #1 New York Times bestseller about the ability of books to feed the soul even in the darkest of times. Nominated as one of America's best-loved novels by PBS's The Great American Read. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist:books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time.
The kind of book that can be life-changing.
The New York Times
Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.
