Eric Maisel - Wikipedia

Fearless Creating. In Fearless Creating Dr. Eric Maisel outlines the stages of the creative process, from nurturing the wish to create, choosing your next subject, starting your work, working, completing your work, to showing and selling your work, identifies the anxieties and challenges associated with each stage, and presents tactics and strategies for meeting those challenges.

books | Eric Maisel

Maisel's Fearless Creating articulates the stages of the creative process in a unique way that shows that he really understands what is in the heart and mind of creators. His exercises are to the point, useful, and sometimes very funny, but even more important than the exercises is the author's vision, which is clear and accurate.

Fearless Creating (Inner Workbook.) by Eric Maisel

Fearless Creating guides the reader, whether an experienced artist or someone just starting out, past the pitfalls that appear in each stage of the process. By following Dr. Maisel's exercises related both to the world at hand and the ongoing struggles of artistic life, readers will emerge from this book with a completed work of art and a new perspective on their potential to be a fearless creator.

9780874778052 - Fearless Creating by Eric Maisel

Maisel does not back down from the issues which block creativity by telling his readers that we'll not feel afraid. Anyone who has ever tried to create something original is well acquainted with the primal terror which can arise. Maisel guides readers into and through the things which stop us. He knows where our courage lies and he leads us there.
