From the author of She Regrets Nothing, which BuzzFeed called a "sharp, glittering story of wealth, family, and fate," a vivid novel about a young Olympic skier who loses everything and reinvents herself in Buenos Aires, where she meets a man keeping dark secrets of his own. Katie Cleary has always known exactly what she wants: to be the best skier in the world. As a teenager, she leaves her home to live and train full time with her two best friends, brothers Luke and Blair. Their wealthy father hires the best coaches money can buy and after years of training, the three friends are the USA's best shot at bringing home Olympic gold. But as the upward trajectory of Katie's elite skiing career nears its zenith, a terrifying truth about her sister becomes impossible to ignore—one that will lay ruin not only to

Katie's career but to her family and her relationship with Luke and Blair. With her life shattered and nothing left to lose, Katie flees the snowy mountainsides of home for Buenos Aires. There, she reinvents herself and meets a colorful group of ex-pats and the alluring, charismatic Gianluca Fortunado, a tango teacher with secrets of his own. This beautiful city, with its dark history and wild promise, seems like the perfect refuge, but can she really outrun her demons?

"Searing, gripping…a complicated story of sisterhood unlike any told before" (Taylor Jenkins Reid, author of Daisy Jones & The Six), We Came Here to Forget explores what it means to dream, to desire, to achieve—and what's left behind after it all disappears.
