In the twenty-fourth chapter of Genesis a beautiful young woman offers assistance to a weary traveler and his camels, and out of that simple action, a marriage results—a marriage that offers profound lessons to couples today. Bible scholar and renowned speaker Ravi Zacharias draws five points critical to the long-lasting success of every marriage from the biblical story of the marriage of Isaac and Rebekah. "Real love folds together both the emotions and the will," writes Zacharias. "Without the emotions, marriage is a drudgery; without the will, it is a mockery." Building upon that foundational truth, Zacharias goes on to explain the principles of seeking the counsel of others when finding a mate, cherishing your partner, remaining pure, becoming a man or woman of prayer, and, finally, risking everything in a relationship in order to experience God's ideal for love. Couples everywhere, from those about to be married, to those who have been married for decades, will draw strength and wisdom for the journey of marriage as they learn from Ravi what it means to move from romance to lasting love.

Anand and his sister Asha agree to exchange their collections of marbles and candy, but Anand tries to keep some of his marbles and must then ask for forgiveness from both his sister and Jesus.

Rebekah, book two in New York Times bestselling author Orson Scott Card's Women of Genesis series—a unique re-imagining of the biblical tale. Born into a time and place where a woman speaks her mind at her peril, and reared as a motherless child by a doting father, Rebekah grew up to be a stunning, headstrong beauty. She was chosen by God for a special destiny. Rebekah leaves her father's house to marry Isaac, the studious young son of the Patriarch Abraham, only to find herself caught up in a series of painful rivalries, first between her husband and his brother Ishmael, and later between her sons Jacob and Esau. Her struggles to find her place in the family of Abraham are a true test of her faith, but through it all she finds her own relationship with God and does her best to serve His cause in the lives of those she loves. Women of Genesis Sarah Rebekah At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In a world with so many religions, why Jesus? We are living in a time when you can believe anything, as long as you do not claim it to be true. In the name of "tolerance," our postmodern culture embraces everything from Eastern mysticism to New Age spirituality. But as Ravi Zacharias points out, such unquestioning acceptance of all things spiritual is absurd. All religions, plainly and simply, cannot be true. *Jesus Among Other Gods* provides the answers to the most fundamental claims about Christianity, such as: Aren't all religions fundamentally the same? Was Jesus who He claimed to be? Can one study the life of Christ and demonstrate conclusively that He was and is the way, the truth, and the life? In each chapter, Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism with compelling insight and passionate conviction. In addition to an impressive breadth of reading and study, he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is. "In *Jesus Among Other Gods*, Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today's leading apologists for the Christian faith. Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition." – David Aikman, author of *Great Souls*

Love, Sex, and Relationships is an immediately relevant and refreshingly direct discussion of the most dynamic and foundational facet of our lives. Bold and thorough, this book is the answer for those who are disillusioned with the relationship guidance found in many of today's books, magazines, movies, and television programs. With clarity and a sharp wit, Dean Sherman illuminates the often confusing and mysterious world of love, sex, and relationships in this accessible, hard-hitting examination of romantic love and sexuality in the Christian's life. He says, "If we don't get relationships right, we have very little left upon which to build our lives."

Here's sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller *Bringing Up Boys*, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles.

How differently would we live if we believed that every dimension of our lives---from the happy to the tragic to the mundane---were part of a beautiful and purposeful design in which no thread were wrongly woven? That's what best-selling author and internationally-known apologist, Ravi Zacharias, explores in *The Grand Weaver*. As Christians, we believe that great events such as a death or a birth are guided by the hand of God. Yet we drift into feeling that our daily lives are the product of our own efforts. This book brims with penetrating stories and insights that show us otherwise. From a chance encounter in a ticket line to a beloved father's final word before dying, from a random phone call to a line in a Scripture reading, every detail of life is woven into its perfect place. In *The Grand Weaver*, Dr. Zacharias examines our backgrounds, our disappointments, our triumphs, and our beliefs, and explains how they are all part of the intentional and perfect work of the Grand Weaver. Also available: unabridged audio CD.

A remarkable commentary on the life of Abraham from the Book of Genesis, *Abraham Called by God* presents Abraham as a genuine man, fallen but called by God. Like him, readers are admonished to learn the lessons of faith through trial, testing, and failure, in order to enter into the promises and blessings of God.

Christians married couples desire to build strong happy marriages on the unshakable foundation of God's Word. By focusing on that goal through these personalized prayers, spouses can build a solid relationship with God and with each other.
