Jenny has a secret: her touch spreads a deadly supernatural plague. She devotes her life to avoiding contact with people, until her senior year of high school, when she meets the one boy she can touch, and she falls in love. But there's a problem--he's under the spell of his devious girlfriend Ashleigh, who secretly wields the most dangerous power of all. Now Jenny must learn to use the "Jenny pox" she's struggled to hide, or be destroyed by Ashleigh's ruthless plans.

The fourth book in the Paranormals series, following Jenny Pox, Tommy Nightmare, and Alexander Death. Jenny has survived in seclusion for the past year, but her peace is about to be shattered by two new paranormals, each of them with unknown intentions, both of them searching for Jenny and Seth. The nightmares of Jenny's most recent past life in the 1930's erupt into the present, and she will face enemies old and new. Jenny is more vulnerable than ever, because she can't use her pox without risking the small life now growing inside her. Jenny's entire life has led up to the challenge she must now face, one that will endanger her life, her unborn child, and her own soul.

What would you do if you held Fate in your hands? 17-year old Macy Lockhart has the weight of the world on her shoulders. For thousands of years, she has been a Keeper in the ancient organization, the Order of the Moirae... and she literally holds fate in her hands. But this is something that she forgets because her memories are wiped clean in every life until it is time for her cycle to start again. For the last two thousand years, this has never been a problem. Until now. And now... Fate, the very thing that Macy was born to keep, is being challenged and she has only one choice: To return to a previous life to fix it; a life where she was Cleopatra's handmaiden, Charmian. And that's not all. Unless she interferes with the fabric of time, the very thing she has returned to repair, her soul mate will die leading Marc Antony's forces against Rome. Can she really stand aside and allow the love of her life to die all over again?

Jenny. Like Jenny, Ashleigh Goodling belonged to a pair of opposites with powers that mirror each other. Now Jenny and Seth must face the opposite of love...

Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world, and *Switched* is the book that started the phenomenon. Prepare to be enchanted... When Wendy Everly was six years old, her mother was convinced she was a monster and tried to kill her. Eleven years later, Wendy discovers her mother might have been right. She's not the person she's always believed herself to be, and her whole life begins to unravel—all because of Finn Holmes. Finn is a mysterious guy who always seems to be watching her. Every encounter leaves her deeply shaken... though it has more to do with her fierce attraction to him than she'd ever admit. But it isn't long before he reveals the truth: Wendy is a changeling who was switched at birth—and he's come to take her home. Now Wendy's about to journey to a magical world she never knew existed, one that's both beautiful and frightening. And where she must leave her old life behind to discover who she's meant to become... As a special gift to readers, this book contains a new, never-before-published bonus story, "The Vittra Attacks," set in the magical world of the Trylle.

Mina Grime is unlucky, unpopular and uncoordinated, that is until she saves her crush's life on a field trip, changing her High School status from loser to hero overnight. But with her new found fame brings misfortune in the form of an old family curse come to light. For Mina is descended from the Brothers Grimm and has inherited all of their unfinished fairy tale business. Which includes trying to outwit a powerful Story from making her its next fairytale victim. To break the fairy tale curse on her family and make these deadly occurrences stop, Mina must finish the tales until the very Grimm end.

Ellie Jordan's job is to catch and remove unwanted ghosts. Part detective, part paranormal exterminator, Ellie operates out of Savannah, Georgia, one of the oldest and most haunted cities in North America. When a family contacts her to deal with a disturbing presence in the old mansion they've recently purchased, Ellie first believes it to be a typical, by-the-book specter, a residual haunting by a restless spirit. Instead, she finds herself confronting an evil older and more powerful than she'd ever expected, rooted in the house's long and sordid history of luxury, sin, and murder. The dangerous entity seems particularly interested in her clients' ten-year-old daughter. Soon her own life is in danger, and Ellie must find a way to exorcise the darkness of the house before it can kill her, her clients, or their frightened young child.

From Lynn Kurland, the New York Times bestselling author of the *Nine Kingdom* series. Set near the Scottish border at a rugged castle on the edge of the sea, this is the story of a courageous lord who lost

everything he held dear. Of a strong young woman willing to sacrifice everything for happiness. Two lost souls who find in each other a reason to live again, to laugh again, and to love for the first time...

Alice Hoffman's most magical novel to date—three generations of extraordinary women are driven to unite in crisis and discover the rewards of reconciliation and love. Women of the Sparrow family have unusual gifts. Elinor can detect falsehood. Her daughter, Jenny, can see people's dreams when they sleep. Granddaughter Stella has a mental window on the future—a future that she might not want to see. In *The Probable Future* this vivid and intriguing cast of characters confronts a haunting past—and a very current murder—against the evocative backdrop of small-town New England. By turns chilling and enchanting, *The Probable Future* chronicles the Sparrows's legacy as young Stella struggles to cope with her disturbing clairvoyance. Her potential to ruin or redeem becomes unbearable when one of her premonitions puts her father in jail, wrongly accused of homicide. Yet this ordeal also leads Stella to the grandmother she was forbidden to meet and to a historic family home full of talismans from her ancestors. Poignant, arresting, unsettling, *The Probable Future* showcases the lavish literary gifts that have made Alice Hoffman one of America's most treasured writers. Praise for *The Probable Future* “A thrilling adventure of literary alchemy . . . A magical, mystical tour de force of pure entertainment.”—*The Seattle Times* “Delicious . . . Hoffman is an unapologetic optimist, and optimism is in short supply these days. It feels like a vacation to curl up with [*The Probable Future*].”—*The New York Times Book Review* “Instantly alluring . . . A mysterious, modern-day fairy tale . . . Hoffman is an amazingly talented writer with a beautiful sense of sentence construction, an intriguing imagination, and the ability to create compelling, complex characters that readers care about.”—*Fort Worth Star-Telegram* “Hoffman's ethereal tale of a family of women with supernatural gifts is a magical escape, grounded in the complex relationships between mothers and daughters.”—*Marie Claire*

A stunning adventure story with an unforgettable lead character - a tale of kindness, suffering and the struggle to overcome. A National Book Award finalist in the U.S.
