Royal Street (Sentinels of New Orleans, 1): Johnson ...

Royal Street, by Suzanne Johnson, is the first in a new urban fantasy series set in New Orleans. Drusilla Jaco, a.k.a. DJ, is one of the city's two wizard sentinels, which means she's assigned to keep an eye on paranormal trouble in town. The other sentinel is Gerry. Drusilla's mentor and father figure.

Royal Street (Sentinels of New Orleans, #1) by Suzanne Johnson

Royal Street was her first novel and is the first book in an urban fantasy series about the Sentinels of New Orleans, wizards who guard the storied city against preternatural dangers. As Susannah Sandlin, Suzanne is also the author of The Penton Vampire Legacy, a series of popular paranormal romances.

Royal Street (Sentinels of New Orleans Book 1) - Kindle ...

Royal Street. Sentinels of New Orleans (Volume 1) Suzanne Johnson, Tor/Forge. Royal Street kicks off The Sentinels of New Orleans, an urban fantasy series set in New Orleans, written by a native of Louisiana. While the novel deals respectfully with the disaster of Katrina, the book offsets the seriousness of the setting with a heroine with a sense of humor, a good pace, and a cast of intriguing supernatural characters.

Macmillan: Series: Sentinels of New Orleans

Praise For Royal Street (Sentinels of New Orleans #1)... "Equal parts paranormal romp and homage to NOLA, I raced down Royal Street . Not only is this book an enchanting urban fantasy debut, but it's also one of the most sensitive and honest depictions of post-Katrina NOLA I've read."

Royal Street (Sentinels of New Orleans #1) | IndieBound.org

Royal Street is the first in a brand new urban fantasy series entitled Sentinels of New Orleans by author Suzanne Johnson. The tale takes place against the backdrop of New Orleans during Hurricane Katrina. Johnson beautifully captures New Orleans, some of its most famous citizens and creates a fresh new fantasy world.

Naarden is a beautiful town in the green Gooi region. The city is one of the best preserved fortified towns in Europe. Naarden was one of the most important defense works of the New Dutch Waterline and still is breathtaking.

A fun, fast-paced book, first in a series of urban fantasy novels filled with wizards, mermen, and pirates that are perfect for readers of paranormal fiction and "fans of Charlaïne Harris and Cat Adams" (Booklist). RT Bookreviews agrees that "for readers missing Sookie Stackhouse, this series may be right up your alley." As the junior wizard sentinel for New Orleans, Drusilla Jaco's job involves a lot more potion-mixing and pixie-retrieval than sniffing out supernatural bad guys like rogue vampires and lethal were-creatures. DJ's boss and mentor, Gerald St. Simon, is the wizard tasked with protecting the city from anyone or anything that might slip over from the preternatural beyond. Then Hurricane Katrina hammers New Orleans' fragile levees, unleashing more than just dangerous flood waters. While winds howled and Lake Pontchartrain surged, the borders between the modern city and the Otherworld crumbled. Now, the undead and the restless are roaming the Big Easy, and a serial killer with ties to voodoo is murdering the soldiers sent to help the city recover. To make it worse, Gerry has gone missing, the wizards' Elders have assigned a grenade-toting assassin as DJ's new partner, and undead pirate Jean Lafitte wants to make her walk his plank. The search for Gerry and for the serial killer turns personal when DJ learns the hard way that loyalty requires sacrifice, allies come from the unlikeliest places, and duty mixed with love creates one bitter gumbo. The Sentinels of New Orleans Series: Royal Street River Road Elysian Fields Pirate's Alley Belle Chasse At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Working for a powerful New Orleans wizard who protects the city from preternatural forces, junior wizard sentinel Drusilla Jaco struggles to outmaneuver sinister beings and find her missing mentor when Hurricane Katrina crumbles the borders between the city and the Otherworld. Original, 30,000 first printing.

As the junior wizard sentinel for New Orleans, Drusilla Jaco spends more of her time mixing potions and retrieving pixies than she does sniffing out supernatural bad guys that slip over from the preternatural beyond. It is DJ's eccentric boss and mentor, Gerald St. Simon, who is tasked with protecting the city. But when Hurricane Katrina hammers the city's fragile levees, it unleashes more than just flood waters. As the winds howl and Lake Pontchartrain surges, the borders between the modern city and the Otherworld start to crumble away ... Now the dead and the restless are roaming the Big Easy, and a serial killer with ties to voodoo is murdering soldiers sent to help the city recover. To make it worse, Gerald St. Simon has gone missing, the wizards' Elders have assigned a grenade-toting asshat as DJ's new partner, and the pirate Jean Lafitte - who has an impressive libido for a 200-year-old - wants her to walk his plank. If she is going to survive, DJ will have to learn that loyalty requires sacrifice, allies can be found in unlikely places ... and that duty mixed with love creates one bitter gumbo.

Elysian Fields by Suzanne Johnson is the fun, fast-paced third book in the Sentinels of New Orleans, a series of urban fantasy novels filled with wizards, mermen, and pirates. These novels are perfect for readers of paranormal fiction and "fans of Charlaïne Harris and Cat Adams" (Booklist) and RT Bookreviews agrees that "for readers missing Sookie Stackhouse, this series may be right up your alley." The mer feud has been settled, but life in South Louisiana still has more twists and turns than the muddy Mississippi. New Orleansians are under attack from a copycat killer mimicking the crimes of a 1918 serial murderer known as the Axeman of New Orleans. Thanks to a tip from the undead pirate Jean Lafitte, DJ Jaco knows the attacks aren't random—an unknown necromancer has resurrected the original Axeman of New Orleans, and his ultimate target is a certain blonde wizard. Namely, DJ. Combating an undead serial killer as troubles pile up around her isn't easy. Jake Warin's loup-garou nature is spiraling downward, enigmatic neighbor Quince Randolph is acting weirder than ever, the Elders are insisting on lessons in elven magic from the world's most annoying wizard, and former partner Alex Warin just turned up on DJ's to-do list. Not to mention big maneuvers are afoot in the halls of preternatural power. Suddenly, moving to the Beyond as Jean Lafitte's pirate wench could be DJ's best option. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

After vanquishing undead serial killers and discovering the dark secrets of her family history, wizard sentinel DJ Jaco must now stop the coming preternatural war in Suzanne Johnson's Pirate's Alley. Wizard sentinel DJ Jaco thought she had gotten used to the chaos of her life in post-Katrina New Orleans, but a new threat is looming, one that will test every relationship she holds dear. Caught in the middle of a rising struggle between the major powers in the supernatural world—the Wizards, Elves, Vampires and the Fae—DJ finds her loyalties torn and her mettle tested in matters both professional and personal. Her relationship with enforcer Alex Warin is shaky, her non-husband Quince Randolph is growing more powerful, and her best friend Eugenie has a bombshell that could blow everything to Eilheim and back. And that's before the French pirate Jean Lafitte, newly revived from his latest "death," returns to New Orleans with vengeance on his mind. DJ's assignment? Keep the sexy leader of the historical undead out of trouble. Good luck with that. Duty clashes with love, loyalty with deception, and friendship with responsibility as DJ navigates passion and politics in the murky waters of a New Orleans caught in the grips of a brutal winter that might have nothing to do with Mother Nature. War could be brewing, and DJ will be forced to take a stand. But choosing sides won't be that easy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

River Road by Suzanne Johnson is the fun, fast-paced second book in the Sentinels of New Orleans, a series of urban fantasy novels filled with wizards, mermen and pirates. These novels are perfect for readers of paranormal fiction and "fans of Charlaïne Harris and Cat Adams" (Booklist) and RT Bookreviews agrees that "for readers missing Sookie Stackhouse, this series may be right up your alley." Hurricane Katrina is long gone, but the preternatural storm rages on in New Orleans. New species from the Beyond moved into Louisiana after the hurricane destroyed the borders between worlds, and it falls to wizard sentinel Drusilla Jaco and her partner, Alex Warin, to keep the preternaturals peaceful and the humans unaware. But a war is brewing between two clans of Cajun merpeople in Plaquemines Parish, and down in the swamp, DJ learns, there's more stirring than angry mermen and the threat of a were-gator. Wizards are dying, and something—or someone—from the Beyond is poisoning the waters of the mighty Mississippi, threatening the humans who live and work along the river. DJ and Alex must figure out what uncaring source is contaminating the water and who—or what—is killing the wizards. Is it a malcontented merman, the naughty nymph, or some other critter altogether? After all, DJ's undead suitor, the pirate Jean Lafitte, knows his way around a body or two. It's anything but smooth sailing on the bayou as the Sentinels of New Orleans series continues. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Suzanne Johnson's "strong and intriguing" (Publishers Weekly) urban fantasy series continues with Belle Chasse. The Sentinels of New Orleans series has earned starred reviews from Library Journal ("a resourceful heroine who relies on her magical ingenuity") and PW ("vivid...a lively tale jam-packed with action, magic, and intriguing plot twists"). With the wizard-elven treaty on the verge of collapse, the preternatural world stands on the brink of war. Unless former wizard sentinel DJ Jaco manages to keep the elven leader, Quince Randolph, focused on peace and not personal matters. With no one on the throne, Faerie is in chaos, with rival princes battling for power. The still-undead pirate, Jean Lafitte, is building his own army of misfits, and DJ—stripped of her job and hiding in the Beyond to avoid the death sentence handed down by the wizard Council of Elders—can't get anywhere near her beloved New Orleans or her significant something-or-other, Alex. It's time to choose sides. Friends will become enemies, enemies will become allies, and not everyone will survive. DJ and her friends will learn a hard lesson: sometimes, even the ultimate sacrifice isn't enough.

French pirate Jean Lafitte is tall, cobalt-eyed, broad-shouldered, and immortal. What's not to love? But New Orleans' most esteemed member of the historical undead is headed for trouble. He's determined to reclaim Le Diligent, his gold-laden schooner lost at sea in 1814 and recently found at the bottom of the Gulf of Mexico near Terrebonne Parish, Louisiana. The U.S. Coast Guard and the Terrebonne Parish Sheriff's Office might beg to differ. New Orleans wizard sentinel DJ Jaco and her merman friend Rene Delachaïse can either lock up their friend Lafitte or join him on a road trip to Cajun country in order to save him from himself. Terrebonne Parish-not to mention its jail-might never be the same after the events of the all-new novella Pirateship Down, presented here along with a collection of urban fantasy stories and essays. Wizards and Cajun merfolk, sexy shapeshifters and undead French pirates. Welcome to the world of the Sentinels of New Orleans in this collection, along with a little Louisiana lagniappe. "A fantastic combination of the best things to find in an urban fantasy. The characters are quirky with lots of clever humor."-RT Book Reviews, on Pirate's Alley, Sentinels of New Orleans Book 4

From New York Times Bestselling Author Maria V. Snyder Choose a quick death... or slow poison... Locked deep in the palace dungeon for killing her abuser, Yelena knows she'll never be free again. The laws in Isia are strict, and murderers must be executed, no matter the reason. But just as she's resigned herself to her fate, she's offered an extraordinary reprieve. As the food taster, Yelena will eat the best meals, have rooms in the palace—and risk assassination by anyone trying to kill the Commander of Isia. To make matters worse, the chief of security deliberately feeds her Butterfly's Dust, and only by appearing for her daily antidote will she delay an agonizing death from the poison. As Yelena tries to escape her new dilemma, disasters keep mounting. Rebels plot to seize Isia and Yelena develops magical powers she can't control. Her life is threatened again, and in order to survive, she must unravel the secrets behind the past she's been running from. The Chronicles of Isia Series by Maria V Snyder Book One: Poison Study Book Two: Magic Study Book Three: Fire Study Book Four: Storm Glass Book Five: Sea Glass Book Six: Spy Glass Book Seven: Shadow Study Book Eight: Night Study Book Nine: Dawn Study

Charlie Davenport is the bad boy of British sports - and third in line to the throne. He's a beast on the courts, and a wild animal in bed (according to all the tabloids). Girls are lining up for chance at his crown jewels, and when I stumble into the wrong Wimbledon dressing room and catch a glimpse of his game, set, AND match, I can see why. So what's a little good luck kiss between friends? I know better than to get involved with a bad boy like Charlie. But now he's on a winning streak, he thinks I'm his lucky charm - and you know what's luckier than a kiss? Everything. Suddenly, I've got paparazzi on my trail, eyes coming out of the woodwork - and you don't know 'utthroat' until you've seen a pack of hungry socialites set loose near the Royal Family. I'm in way over my head, and even worse - I'm falling in love. Can this American girl win her Prince Charming? Or will we both crash out of the championships in flames? Wimbledon-meets-The Prince and Me in this hilarious, sexy new romance from Katie McCoy!
