In the darkness, it's easy to lose your way. . . Kat Redding is a vampire with a job to do--wiping out the vamps and werewolves who prey on Pureblood humans. Someone has to do it. . .as long as that someone is her. But suddenly Kat, also known as Lady Death, has competition, and it's causing problems. Vampire houses and werewolf clans alike are blaming her for a spate of gruesome murders, and Kat needs to figure out who's really responsible before she

becomes the next target. . . On the hunt, she forms an uneasy alliance with both the Luna Cult and a powerful rogue werewolf. But the truths Kat's uncovering--about her enemies and her few remaining confidantes--are far from comforting. And when the chance comes to leave her life of vengeance behind, Kat must decide whether her real motive lies in protecting the innocent, or sating her own fierce hungers. . . Praise for E.S. In a job like this, there's no retirement plan Kat Redding's life is dangerous enough when she's hunting the rogue vampires who prey on Pureblood humans. But now that Kat is thinking of getting out of the killing business, she's faced with a slew of new problems. Like the demon Beligral, who offers help at an escalating cost, and the werewolf cult with whom she's entwined professionally and personally. And then there's Countess Baset--the terrifying vampire who wants Kat to become her personal assassin. It's no wonder that Kat has been seeking refuge in the mysterious town known as Delai, a place where she

can shed her Lady Death persona and live a life that's as close to normal as she's ever known. But even in this haven, something feels askew. Delai is a little too serene. And the more she discovers, the more Kat realizes that the only choice left to her is not whether to do battle, but which side she'll risk her life to defend. . . Praise for E.S. This “fast-paced, action-packed” paranormal thriller takes you into the darkest corners of the vampire realm—and a bloody battle for survival (Jess Haines). Kat Redding is the very thing she hunts: a vampire, thirsting for blood, capable of killing any creature unlucky enough to get in her path. The difference is Kat kills her own kind in order to protect human Purebloods. And she is very good at what she does. Good enough to earn the nickname Lady Death—and the burning hatred of every nightwalker around. When a vampire Count tries to merge his House with a werewolf cult to create a force of terrifying power, Kat makes it her business to stop him. Now she’s taking on a den of weres and a ruthless vampire more

dangerous than any she's encountered before. She has the weapons, the skill, and the will to get the job done. But that may not be enough to eliminate the Count before her own dark nature arises within her—and costs her whatever is left of her humanity Featuring “a complex, compelling character” who can break hearts even faster than she can tear them out, this is a debut supernatural adventure you won't be able to put down (Alexandra Ivy, New York Times–bestselling author) “Fans of Underworld will not want to miss this.” —Jess Haines, author of Deceived by the Others

Issues like violence, drinking, self-mutilation, and

eating disorders are on the rise among teens. The author has more than 20 years of experience working with troubled teens as well as serving as a special consultant to major research centers including Yale and Columbia Universities. This book includes compelling stories of some of the author's patients - the problems they have struggled with and how they found their way to a healthier identity. Each story illustrates the issue of developing identity and how the author has helped these troubled teens. Each chapter concludes with practical information for parents to use in helping their children, plus a Q & A section that addresses the most common questions asked by parents and teens.

Innocence is relative, and evil is damned hard to kill. .
. Kat Redding would love to take a break from the gruesome, dangerous work of hunting down rogue vampires and werewolves, battling for innocent lives. But there's no peace for Lady Death. Until Kat's young charge, Sienna, appears on her doorstep, escaped from the shadow-paradise of Delai. Sienna is weak, confused, desperate--human in the utmost. If Kat is going to have any hope of breaking the hold of Delai, she'll have to infiltrate the walls around the false sanctuary. And the only way she can do that is to trade in her battle-hardened, bloodthirsty vampire's body--for Sienna's human form. With no weapons but

penned by William Shakespeare himself, complete with authentic meter and verse, and theatrical monologues and dialogue by everyone from Darth Vader to R2D2. Return once more to a galaxy far, far away with this sublime retelling of George Lucas's epic Star Wars in the style of the immortal Bard of Avon. The saga of a wise (Jedi) knight and an evil (Sith) lord, of a beautiful princess held captive and a young hero coming of age, Star Wars abounds with all the valor and villainy of Shakespeare's greatest plays. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and

character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy. Zounds! This is the book you're looking for.

Trust is a dangerous business. Some people still call Kat Redding by her hunter name: Lady Death. But she's not eager to see more violence brought to her doorstep. The neverending tide of hungry supes and vicious humans doesn't change the math—sooner or later Kat's one-vamp battle against the nightmares that infest Columbus is going to leave her dead. And she has innocent people—well, a werewolf and a demon-summoner—depending on her now. But when

a rogue werewolf who's opted out of the bloodbath is found crucified and mutilated with toxic silver, Kat knows she'll be tangling again with the dangerous Pureblood murderers of the cult of the Left Hand. She already has an undead countess blackmailing her into taking out the city's garbage and a demon playing with her head. Add to that her serious suspicions about changes at the house of her uneasy ally Jonathan Alucard, werewolf denmaster, and Kat might have finally gotten in danger so deep, not even Lady Death can survive. . . Organizing Matters demonstrates the interplay between two distinct logics of labour's collective action: on the one hand, workers coming together, usually at their place of work, entrusting the union to represent their interests and, on the other hand, social bargaining in which the trade union constructs labour's interests from the top down. The book investigates the tensions and potential complementarities between the two logics through the combination of a strong theoretical framework and an extensive qualitative case study of trade union organizing and recruitment in four countries – Austria, Germany, Israel and the Netherlands. These countries

still utilize social-wide bargaining but find it necessary to draw and develop strategies transposed from Anglo-American countries in response to continuously declining membership.
