Read Free The Corset A Cultural History

An essential element of fashionable dress from the Renaissance into the twentieth century, the corset has been viewed not only as an object of eroticism but also as an instrument of torture and subjugation. This lavishly illustrated book explores the cultural history of the corset. Named one of the Best of the Year 2001 by the Toronto Globe & Mail.

evolving as fashion trends have changed. Women, as well as some men, have used it to change the appearance of their bodies. The corset first became popular in sixteenth-century Europe, reaching the zenith of its popularity in the Victorian era. While the corset has typically been worn as an undergarment, it has occasionally been used as an outer-garment; corsets as outer-garments can be seen in the national

History of corsets - Wikipedia

Worn by women throughout the western world from the late Renaissance into the twentieth century, the corset was an essential element of fashionable dress for about 400 years. Yet throughout its...

The Corset: a Cultural history is, as the title suggests, about corsets, their development, their history, and their place IN history.

Unfortunately, Steele is forced to spend most of the book disproving the myth that corsets are torture devices or unhealthy to wear. Turns out most of the evidence for tight-lacing in the late Victorian era?

Read Free The Corset A Cultural History

The corset – a garment with a rigid, boned bodice that is laced together in order to shape the torso – has a controversial history. Long derided as a patriarchal instrument of torture that deformed the female body, historians now argue that that there was no one experience of wearing a corset, and that some women may even have found them positive.

The History Of The Corset | British Vogue
In her books, *The Corset, A Cultural History* (2001) and *Fetish: Fashion, Sex and Power* (1996) Steele argues that the corset is probably the most controversial garment in the history of fashion. Throughout its history, corsetry is believed to have functioned as a coercive
